Lead Pastor Live Coaching Network

OVERVIEW

The Lead Pastor Live Coaching Network is a relationship-based coaching network for pastors seeking to create healthy churches and break through growth barriers. The heart of the Network is found in a group of senior pastors meeting together monthly for training, coaching, and networking.

Unfortunately, space is LIMITED, so we cannot accept everyone who applies.

The E^XPONENTIAL Coaching Network will follow the outline of the *8 Healthy Systems of the Church* as taught to Stan by Nelson Searcy and will be customized according to the specific needs of those accepted.

STAN PEGRAM leads the Live Coaching Network. Stan is the Lead Pastor of BMZ Church in Southwest Wisconsin. Since 1999, this church has gone from a total of 60 people in worship at 2 sites to about 400 in worship on 8 small-town campuses. He has been in coaching networks with some of the top pastors in the U.S. for the past 6 years and continues to read, study, and learn. Stan attempts to keep up with the cultural and church-culture trending that will impact churches across the Midwest. He has led pastor training sessions on numerous occasions over the past 10 years, including BMZ Leadership Summit/FOCUS Day, as well as speaking at regional and national events.

Here's what pastors who have attended *Exponential Church Leader Coaching* say:

- *I was hesitant to register to ECL coaching in the beginning thinking that this would just be another academic orientation toward church growth or new church start. But what I found here indeed surprised me! I got the step by step practical tools to embark on new venture.—Pastor Harsha Kotian, South Milwaukee UMC, South Milwaukee, WI*
- *The greatest benefit of coaching has been the “shot in the arm” that it has given me. It keeps me motivated and on track with providing positive change and over-all health to my churches. ECL has improved my life and church with its vast depth of knowledge and experience to draw from. It is my/our “go-to” for the “how-to’s” and “whys” for good ministry practices. Coaching has improved our assimilation process and hospitality 100%. We now have a well-oiled and smooth process for investing and inviting others to our church, welcoming them and following through with our guests in a positive way. —Pastor Susan Safford-Gaul, Faith and Bethel UMCs, Sheboygan Falls, WI*
- *Our church overall has become more in tune to their faith journey because of changes we’re implementing from Exponential Church Leader. From the leadership to students, we understand God’s will for our lives better than ever. —Renee Thomas, Fennimore UMC, Fennimore, WI*
- *ECL has given me and the church direction for the future. It has given us hope for the future. —Pastor Mao Her, Christ UMC, Greenfield, WI*
- *I’ve benefited from learning with a group of pastors who are in similar situations. It’s been great to talk through circumstances and situations and learn and be given hope. —Pastor Josh Pegram, Wisconsin Rapids UMC, Wisconsin Rapids, WI*
- *The greatest benefit from ECL Coaching has been the opportunity to learn with and be encouraged by one of the most impactful pastors for one of the [Wisconsin United Methodist Conferences] most vital churches. Stan continually makes you re-evaluate the way you do ministry for the most effective impact in your church. —Pastor Wiley Gladney, Peace and Trinity UMCs, Richland Center, WI*
- *Through coaching, I have become aware of systems that can be immediately used to change the culture of my church. We have begun to look outwardly and positively toward our future as a ministry. —Pastor Mike Weaver, Elmwood and Rock Elm UMCs, Elmwood, WI*
- *Personally, the greatest benefit of coaching is to know that I am with others who want to grow. [It] gives insight, energy, and motivation that is not routine ministry, but can be vibrant and exciting. —Pastor Dan Verdegan, Cargill UMC, Janesville, WI*
